[Docket 43-98]

Foreign-Trade Zone 171—Liberty County, TX; Application for Expansion

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Liberty County Economic Development Corporation, grantee of FTZ 171, requesting authority to expand its zone in Liberty County, Texas, adjacent to the Houston Customs port of entry. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended, (19 U.S.C. 81a-81u), and the

regulations of the Board (15 CFR part 400). It was formally filed on September 9, 1998.

FTZ 171 was approved on January 4, 1991 (Board Order 501, 56 FR 1166, 1/11/91). The zone project currently consists of 4 sites (246 acres) in Liberty County: *Site 1* (150 acres)—City of Cleveland's International Industrial Park on Highway FM 2025 west of U.S. Highway 59; *Sites 2 and 3* (45 and 27 acres)—two industrial park sites on the Trinity River some 2 miles south of U.S. Highway 90, City of Liberty; and, *Site 4* (24 acres)—within the Cleveland Municipal Airport facility, Highway FM 787, Liberty County.

The applicant is now requesting authority to expand the general-purpose zone to include an additional site (proposed *Site 5*—583 acres, 2 parcels)—Sjolander Plastics Storage Railyard facility, adjacent to Highway 146, approximately 2 miles south of Dayton, Texas (Liberty County). The proposed FTZ site is on the west and east sides of the railyard facility, but does not include the existing railyard. Activity at the proposed FTZ site would include general ware-housing, the storage of plastic pellets from the petrochemical industry, bagging of pellets, and intermodal (truck-rail) transfer. There are also plans to expand the facility to accommodate a wider range of products and to facilitate improved rail service. Site development plans call for construction of up to 20 buildings (each approx. 250,000 sq. ft.) and establishment of a intermodal container transfer facility. No specific manufacturing requests are being made at this time. Such requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is November 30, 1998. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period December 14, 1998.

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:
